

A NOTED ACTOR.

On His Way to Star All Over the World.

Slade Murray, probably the most famous comedian in Australasia, passed through on the Alameda on his way to the United States where he will star for about a year, going thence to Great Britain, from there to South Africa and back to Australia.

Mr. Murray is a Londoner and performed in the leading theatres of the British Isles for many years. He went to Australia six years ago and has become a general favorite in all the big colonial towns. He has attained prominence as a vocalist, pantomimist, dance and burlesque artist and character sketch delineator. He was entertained here by Messrs. Wirth and Cameron, of the circus, both old friends of his, and a few pleasant hours were passed by the trio in relating experiences and recalling recollections.

Mr. Murray opened five theatres in Australia and during his career has been proprietor of fourteen different companies. He has followed the stage for thirteen years, eleven years as a star.

Speaking of Mark Twain, Mr. Murray says he is achieving a series of successes in the colonies.

Yales' La Freckla

is Mme. Yale's infallible cure of Freckles, Tan and Sunburn. It is the only remedy ever compounded that will remove freckles completely and surely.

The fairer and more delicate the skin, the more likely it is to freckle and the worse it will look after it is freckled.

Thousands of women, otherwise beautiful, are disfigured by these unsightly, brown blotches. Nothing will hide them. They are a source of misery, but they can be cured.

La Freckla is the death-warrant to freckles. The preparation of La Freckla is one of Mme. Yale's greatest achievements. There are many imitations, some of them very dangerous and hurtful to the skin; none of them really effective. For safety and certainty, insist always on getting the genuine and original La Freckla.
